ABOUT THE EVENT

#PUTT4PURPOSE

Partners in Housing is pleased to present our 3rd annual putt-putt fundraising event, **Putt-Putt for Partners**. This event brings together community leaders in support of a mission to provide housing and wrap-around supportive services to individuals and families facing chronic homelessness in Indianapolis. Your support of Partners in Housing makes lasting change possible for the community we serve. For 30 years, we've put people on the path to self-sufficiency and helped them stay there. Thank you for being a part of that journey - we hope you will continue to support our mission for 30 more years!
